

# AAYUSH POKHAREL

Seeking opportunities in Information Technology, Software Testing, Technical Support, or related fields.

## ABOUT ME

Motivated BSc CSIT student with a strong interest in technology, software testing, and problem-solving. Eager to begin a career in IT through internships or entry-level roles while developing practical skills and industry experience. A quick learner with strong communication, teamwork, and computer skills, committed to continuous growth and professional development.

## EDUCATION

Tribhuvan University | 2025 – Present

### BSc.CSIT

Currently pursuing a degree in Computer Science and Information Technology, building knowledge in programming, software development, database systems, networking, and problem-solving. Continuously developing technical and analytical skills through academic coursework and self-learning.

Higher Secondary Education (+2)

### Computer Science

Completed higher secondary education with a focus on developing analytical, communication, and academic skills.

## WORK EXPERIENCE

### Fresher

Currently pursuing BSc CSIT and actively developing technical and professional skills through academic coursework, self-learning, and practical computer usage. Familiar with computer operations, internet research, documentation, and basic programming concepts. Demonstrated strong problem-solving abilities, teamwork, communication, and adaptability through educational projects and collaborative activities. Eager to apply knowledge in a professional environment and gain hands-on experience in IT, software testing, technical support, or related fields.
